case

December 14, 1977

Chemical Control Corp.
23 South Front St.
Elizabeth, N. J.

Gentlemen:

In the past, you have disposed of certain liquid waste materials generated here at Pearl River.

In the event we should again ask you to dispose of such material, please submit the following information:

1. How the material would be disposed of
2. By whom
3. Where
4. Copies of permits and registrations of all parties involved in the disposition.

Please mark your reply for my attention. Thank you.

Very truly yours,

WJ
